THE BOLD LOOK
OF **KOHLER**

Welcome to KOHLER® where bold thinking and rigorous craftsmanship combine to bring innovative, beautiful design to life.

We're celebrating 140 years of setting the standard of excellence and pushing the limits of design. Whether we're creating kitchen and bath products, tile and furniture collections, engines and generators, or four-star resorts and championship golf courses, our work is born from a desire to design experiences that make the world more gracious.

After four generations, we remain a family-owned company. **Bolder than ever.**

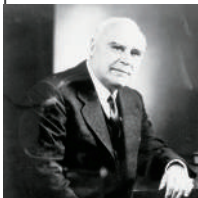

A HISTORY OF INNOVATION

<p>1873</p> 		<p>1905</p> 			<p>1926</p>
<p>KOHLER® Co. is founded by John Micheal Kohler in Sheboygan, Wisconsin.</p>	<p>1883</p> <p>An enameled cast-iron horse trough/hog scalding is sold as a bathtub.</p>	<p>Walter J. Kohler is elected as company president.</p>	<p>1911</p> <p>KOHLER® Co. introduces the industry's first one-piece built-in-bath with an integral apron.</p>	<p>1920</p> <p>KOHLER® Co. enters the Power Systems business.</p>	<p>KOHLER® Co. opens a plant in Village of KOHLER to manufacture faucets and brass accessories.</p>
<p>Sterling Faucet Co.: first acquisition of KOHLER® Co.</p> <p>1984</p>	<p>1st step in Europe with acquisition of Jacob Delafon, a leading French plumbing products company.</p> <p>1986</p>	<p>KOHLER® Co. opens its first golf course.</p> <p>1988</p>	<p>KOHLER® Co. expands European offices and distribution to include Oer-Erkenschwick, Germany.</p> <p>1999</p>	<p>Mira, the leading shower manufacturer in the UK, becomes a KOHLER® company.</p> <p>2001</p>	<p>KOHLER® sets up office in India.</p> <p>2006</p>

1927

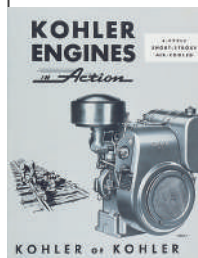

KOHLER® Co. begins production at its new pottery building, capitalizing on a technological breakthrough, KOHLER® Co. offers Cast-Iron and Vitreous China plumbing products in matching pastel Colours.

1937

Herbert V. Kohler, Sr., is elected President of KOHLER® Co.

1948

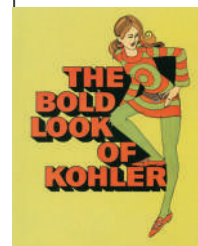

KOHLER® Co. begins producing and marketing small engines.

1965

Introduction of bathroom fixtures in "accent" Colours, more vibrant than the pastels of the 1920's.

1967

New concept of boldly Coloured products under the tag line THE BOLD LOOK OF KOHLER®.

1972

Herbert V. Kohler, Jr., is elected Chairman of the Board and CEO.

KOHLER® sets up the first vitreous China plant in Jhagadia, India.

COLOURS *by*
KOHLER®

Add a spectacular dimension to your bath spaces with a dash of colours by Kohler®. Coloured vessels, faucet finishes and honed colours that match the warmth & coolness of your personality, reflect the depth & opacity of your style, and complement the texture & sheen of your individuality. Play them off each other with creative abandon to arrive at new combinations and conversations that go beyond the flavour of the season.

Say hello to the magic of global hues that are Indian at heart.

Kohler's new range of colours is all about re-inventing your world with shades and strokes that are globally trending, yet trace their roots to the quintessential culture and ethos of India. Go ahead - transform your world tantalizingly with the vibrant Peacock, the smouldering Thunder Grey or the magical Truffle. Give your bathspaces a new lease of life by composing a subtly luxurious look that's as unique, as you are.

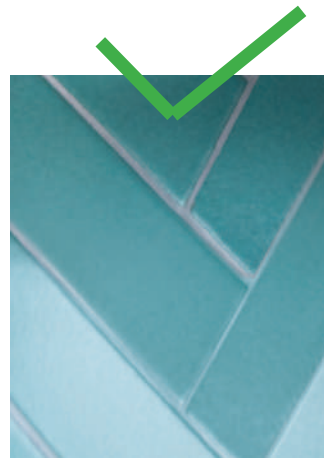

EXPLORING COLOURS & FINISHES

Bringing Colours and Finishes Together

The Colours and Finishes you choose will play a leading role in creating the look and feel of your dream bathroom. Each has its own characteristics in terms of warmth or coolness, depth or opacity, texture and sheen, but placed in conversation with one another, some traits may be accentuated over others. Finding the right combination will help you achieve an ideal mix of style and comfort.

Peacock & Rosegold

The warmth of Rose Gold meets the splendor of Peacock. Rose Gold is a flawless Finish with a touch of charming luxury. Peacock is stirring Indian in nature, yet vibrantly global in spirit. Evolve your bathspaces evocatively as the tantalizing Teal of Peacock complements the romantic elegance of Rose Gold perfectly.

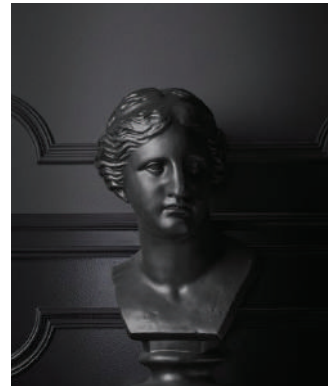

Peacock & Rosegold

1 | Composed™ single control side mount tall basin faucet with drain (K-73159IN-7-RGD) 2 | Forefront™ vessel basin without faucet hole in peacock (K-5373IN-HP1) 3 | Lynk™ pneumatic faceplate (K-75890IN-P-RGD) 4 | ModernLife™ wall-hung toilet with Quiet-Close™ seat cover in peacock (K-77142IN-S-HP1) 5 | 254mm (10") square Katalyst™ rain showerhead (K-18361T-CL-RGD) 6 | RainDuet™ square handshower without hose (K-97009T-RGD) 7 | Watertile™ 54 nozzle bodyspray (K-8002-F2-RGD) 8 | Beitou™ recessed Hi-flow thermostatic 4-way trim (K-77247IN-9-RGD) 9 | Stillness™ vertical tissue paper holder (K-14459T-RGD) 10 | Stillness™ 609mm (24") towel bar (K-14451T-RGD)

Complete your suite with the following components

Complementary basic health sprays with metal hose and holder (K-12925IN-RGD) | Strayt™ wall mount bath spout in polished chrome (K-37344IN-RGD) | Master Shower™ 254mm ceiling-mount shower arm (K-16347IN-RGD) | Stillness™ handshower hose (K-12067T-RGD) | July™ angle valve G13mm (K-16086IN-4-RGD) | Complementary handshower bracket (K-9040T-RGD) | Beitou™ Hi-flow thermostatic 4-outlet (K-77236IN-RGD) | July™ In-line stop valve trim (both G13mm and G19mm) (K-16087IN-4-RGD) | Complementary 300 mm bottle trap without drain (K-7314IN-RGD) | Complementary grid drain with overflow hole (K-45432IN-RGD) | Complementary floor drain (K-7275IN-RGD) | Ceramic drain without overflow (K-24740IN-K4) | Supply elbow (K-16381IN-RGD)

Thunder Grey & Brushed Nickel

The vibrancy of Brushed Nickel dissolves naturally into the mystical serenity of Thunder Grey. Brushed Nickel Finish is all about classic warmth. Thunder Grey embodies the smouldering magic of Indian summer storms. Together, they transform your bath ambience with the irresistible calm of an inescapable storm.

Thunder Grey & Brushed Nickel

1 | Aleo+® tall basin faucet without drain (K-72337IN-4ND-BN) 2 | Forefront™ vessel basin without faucet hole in thunder grey (K-5373IN-HG1) 3 | Lynk™ faceplate (K-75890IN-M-BN) 4 | ModernLife™ wall-hung toilet with Quiet-Close™ seat cover in thunder grey (K-77142IN-S-0) 5 | 254mm (10") round Catalyst™ rain showerhead (K-18359T-CL-BN) 6 | RainDuet™ multifunction handspray (K-15344T-BN) 7 | Aleo+™ Recessed bath and shower trim (K-72328IN-4-BN) 8 | Mistos™ towel ring (K-37057T-BN) 9 | Mistos™ robe hook (K-37055T-BN) 10 | Mistos™ tissue holder (K-37054T-BN)

Complete your suite with the following components

Health faucet with metal hose (K-12927IN-BN) | Complementary bath spout with diverter (K-10386IN-BN) | Complementary deco health faucet with metal hose (K-12927IN-BN) | Wall-mount shower arm (K-16346IN-BN) | Hose for handshower (K-831727-U-BN) | Aqua Turbo 235 valve (K-882IN-BN) | Angle valve (K-16086IN-4-BN) | Bracket (K-9038T-BN) | Bottle trap (K-7314IN-BN) | Complementary grid drain with overflow hole (K-45432IN-BN) | July™ In-line stop valve trim (both G13mm and G19mm) (K-16087IN-4-BN)

Truffle & French Gold

The subtle turn of Truffle plays out a timeless duet with the rich look of French Gold. French Gold Finish adds charm and class to subtle surroundings. The warm charisma of Truffle is quintessentially Indian, yet as contemporary as your world. Together, they add romance and opulence to your bath environment in equal measure.

Truffle & French Gold

1 | Hone Tall single-control basin faucet without drain in french gold (K-22535IN-4ND-AF) 2 | Forefront™ vessel basin without faucet hole in truffle (K-53731IN-HT1) 3 | Bevel™ french gold faceplate for HT 310 (K-88571IN-2-AF) 4 | ModernLife™ wall-hung toilet with Quiet-Close™ seat cover (K-77142IN-S-0) 5 | Loure® 381mm ultra-thin square showerhead (K-9301T-CL-AF) 6 | Shift+™ multi-function square handshower with hose (K-21336IN-AF) 7 | Hone bath spout in french gold (K-22543IN-AF) 8 | Beitou™ recessed hi-flow thermostatic 4-way trim (K-77247IN-9-AF) 9 | Watertile® square 54-nozzle body spray with soothing spray (K-8002IN-AF) 10 | Complementary™ 762mm contemporary slide bar in french gold (K-8524-AF) 11 | Loure® tissue paper holder with cover (K-11584-AF) 12 | Loure® towel ring (K-11587-AF) 13 | Complementary robe hook (K-5635IN-AF) 14 | Complementary soap dish (K-5634IN-AF)

Complete your suite with the following components

TOILETS

KOHLER® toilets come designed with a variety of performance-driven flushing systems that are engineered to meet your particular demands. Whether your needs are based on extraordinary flushing power or complete, quiet performance with added comfort, KOHLER® toilets provide the perfect solution. Select models integrate with KOHLER® suites and ensembles to create a unified look throughout your bathroom.

The Kohler® Toilet Advantage

Featuring advanced technology, our wide range of stylish toilet combines powerful performance with high efficiency. KOHLER® toilets are thoughtfully designed by our teams around the world to offer comfort, hygiene and easy cleaning.

KOHLER® NXT

Pocket less fixation for seamless aesthetics, superior flushing technology with 360 degree cleaning.

High Flushing Performance

Exceeds industry standards to flush all types of waste – heavy, medium, light.

Water Conservation

Design to perform even with 30% less water consumption. 4L (Full Flush)/ 2L (Half Flush) for LEED, IGBC certification.

Pure Clean Seat

Upgrade to a superior cleaning and hygienic experience, with front wash feature designed specially for women.

SafeShield Technology

KOHLER® toilet seat is infused with nano silver ions (AG+) that keeps it 99.9% free from bacteria, including highly resistant strains like E.coli.

Superior Material & Glaze

Long lasting, durable glaze – easy to clean surface, resistant to chemicals and stains.

Truly rimless

Experience the slick, uninterrupted sweep of a superior, truly rim-free design.

SafeShield+

Kohler® UF seats is infused with silver ions and unique anti-microbial compounds for protection against germs including fungus, bacteria, virus & yeast.

AN EXPERIENCE THAT IS
NEVERTOONEXT

WATER CONSERVATION

Flushing that consumes
30% less water

MODERN DESIGN

Contemporary aesthetic to
complement any look

PERFORMANCE FLUSHING

Unparalleled flushing for superior performance

EFFORTLESS CLEANING

Seamless easy-to-clean exterior

Glow that guide. Aroma that comforts.

Kohler® toilet seats combine Kohler® Nightlight Technology with an innovative deodorizing fragrance to provide you with the ultimate in luxury, hygiene and convenience. While Kohler® Fragrance elevates the ambience by neutralizing odours, Nightlight features two unique LED that illuminate your toilet in a soft glow. Nightlight helps guide you safely and comfortably, even on the darkest nights, perfect for kids and seniors alike.

Kohler® Fragrance

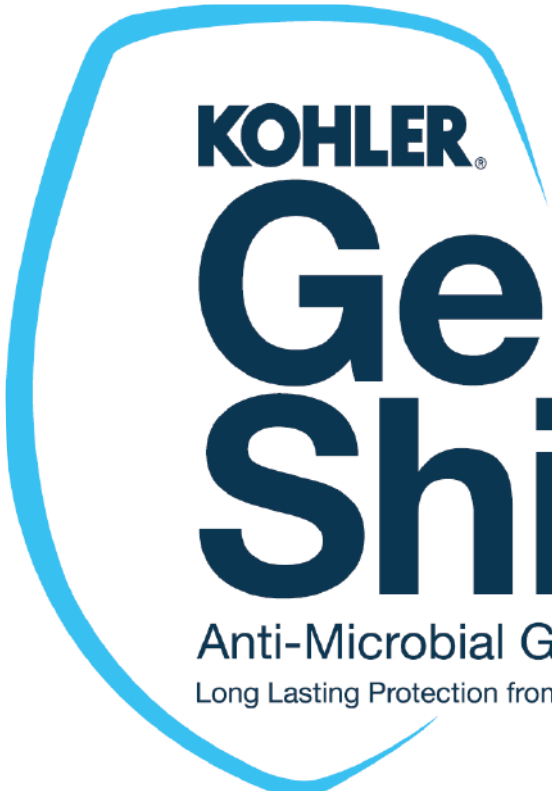

Fragrance Refill for Kohler® Quiet-Close™
slim toilet seats K-21702IN-NA

Kohler® Nightlight

Nightlight Module for Kohler® Quite-close™
slim toilet seats K-128744IN-NA

KOHLER®
GermShield
 Anti-Microbial Glaze
 Long Lasting Protection from Bacteria, Fungi, Yeast, Virus & Microbes

For Kohler's unique new GermShield, hygiene and cleanliness comes factory-fitted. Baked permanently into the ceramic right at the manufacturing stage, its properties do not arise from superficial coating, but are an ingrained 'DNA' of its unique glaze.

Long Lasting Glaze & Protection

Factory-fitted, deep-seated & long-lasting glaze that doesn't wash or dust off.

Widest Microbial Coverage

Guards against a host of infection & germs including fungus, bacteria, virus & yeast.

Safe to Touch

In-built anti-microbial protection for unmatched tactile hygiene and safety.

TRULY RIMLESS

Gracefully clean by form. Effortlessly hygienic by design.

Usher the next level of joyful ergonomics & effortless cleanliness into your daily toilet routine. Experience the soothing rimless design that adds elegance and style to your ambience. The lipless and grooveless construction keeps unhygienic build-up at bay and powerful flush technology ensures end to end cleaning.

Embrace the cutting edge in bathroom luxury.

Truly rimless

Experience the slick, uninterrupted sweep of a superior, truly rim-free design.

Water efficient flushing (4/2l)

Intricate design of the bowl ensures efficient flushing with low consumption of water.

Evolved Engineering

Sophisticated engineering ensures complete cleanliness & hygiene - as water travels across the rear, sides & front of the bowl in a controlled, splash-free flow without losing velocity.

Powerful flushing

Innovative dual-jet technique, along with a lip-less & stem-less design, ensures optimum coverage - cleaning the entire bowl in a single flush.

No hidden grooves

A lip-less and step-less design prevents unhygienic build-up and leaves no hidden grooves for germs and bacteria.

Celebrate the difference true rimless can make.

Modern Life: Red dot award winner

FIND YOUR TOILET

CONSIDER YOUR SPACE

Rectangular

Rectangular shape for larger spaces and contemporary aesthetic

Elongated

- Measures 473mm or more
- Fits most residential spaces
- Provides added room and comfort for adults

Round - Front

- Measures 425mm or less
- A good solution for small spaces

TOILET SPACE

Incredible performance. Award-winning design. Innovative technology. With KOHLER® toilets, you can count on it all. Our range of stylish water-saving toilets give you powerful and efficient performance with the cleanliness and comfort you want.

Intelligent Toilets

Fully automated toilets come with motion sensors, automatic flush and advanced bidet functions

Wall-Hung

- Mounts to wall for easy cleaning beneath the toilet
- Tank and mounting hardware are concealed behind the wall

Two-Piece

- Separate tank and bowl design
- Features DryLock system to prevent water leakage

Wall-Hung with Exposed Tank

- Mounts to wall for easy cleaning beneath the toilet
- Exposed tank option

Bold Innovation

INTELLIGENT TOILETS

KOHLER® intelligent toilets combine innovative design, technology, personalized cleansing into stunning styles. From striking forms to programmable settings, our intelligent toilets bring a new level of everything you desire in a toilet - intuitive, intelligent and eco-friendly.

Artful Design

Intelligent toilets feature an innovative tankless design that makes a stunning style statement in any decor while their skirted one-piece design makes them easy to wipe it clean. The intuitive touch-screen remote can be mounted on the wall or handheld.

Personalized Comfort

Control your preferences for a heated seat, bidet and air dryer with an intuitive touch-screen remote. A built-in LED night light and hands-free opening and closing functionality provide added convenience.

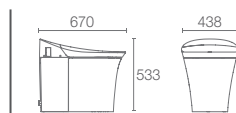

Dynamic Cleansing

Offering remarkable bidet cleansing built directly into the design, intelligent toilets feature a self-cleaning bidet wand, precision air dryer and a deodorizing filter, all in one.

KOHLER® InstaFlush™ tank is engineered to perfection and boasts five key features that make it the best in the industry. It is available in both Pneumatic and Mechanical configurations.

LEAK-PROOF DESIGN

Sturdily constructed, the single body has a minimum thickness of 3.5mm.

EASE OF INSTALLATION

The slim design fits in 102mm wall and has flexible 4 point inlet connections.

LONG-LASTING

Tested for over 2,00,000 cycles in Indian water conditions.

HASSLE-FREE MAINTENANCE

The parts are easy to service and include an Inline filter to prevent debris deposit.

INSTANT POWERFUL FLUSHING

Enjoy a smooth actuation system and high performance even at low pressure.

IN-WALL TANKS

Designed to accommodate any of our wall-hung toilets, KOHLER® in-wall tanks provide reliable performance and sleek styling for commercial and residential bathrooms. Minimizing clutter for optimal use of space and ease of cleaning, these in-wall tanks and tank covers with dual actuation offer a modern solution.

SOFT PRESS™

The wall becomes the new focus of luxury with Kohler® Softpress Flush Valve. A stylish straight-line design compliments the décor elegantly, while superior-grade components & dual-flush Pneumatic technology ensure unmatched performance. Be it effortless actuation, great flow (even at low pressures), big water savings or easy maintenance, Softpress by Kohler® marks a truly watershed addition to your wall-hung toilets.

Effortless Flushing

smooth action with minimum force
- ideal for elderly & children.

Adjustable Flow Rate

Time delay mechanism aids flushing adjustability.

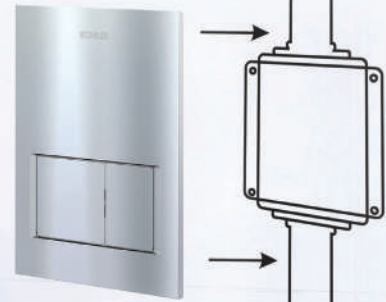

Water Saving

Accurate volume setting without loss in flow rate.

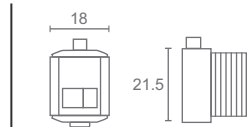

Ease of Installation

Height adjustable through connection accessories to match all toilet rough-in.

BATHROOM FURNITURE

When excessive pride comes from achieving perfection, it becomes a quality to cherish. The range of Bathroom Furniture by KOHLER® is designed to evoke this very feeling.

It offers meticulously designed complete, integrated solution for your bathroom, with a wide variety of designs with textured finishes to create a completely coordinated KOHLER® Suite. It gives your bathroom a unified look, which is also built to last.

The Kohler® Bathroom Furniture Advantage

Crafted with premium materials that stand up to daily life in the bathroom.

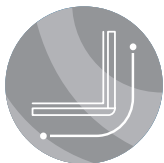

Water Resistant

Cabinets made of HDHMR wood (High Density High Moisture Resistant) for bathroom environment that protects the cabinet from damage in case of water contact.

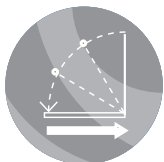

Fade Resistant Surface Finish

Made of UV-resistant luxurious finish that withstands the harsh climatic changes of a bathroom and resists fading.

Smooth Curves

Edges that are most difficult to manufacture in wooden furniture that adds to safety and match the contours of wash basins.

Smooth Motion of Drawers & Doors

Fine engineered hardware ensures every hinge and drawer runner withstands testing of more than 25,000 cycles for a smooth movement of drawers.

Easy to Clean and Maintain

Stain-resistant and scratch-resistant to pencil hardness. Coating that ensures all-round protection and maintenance.

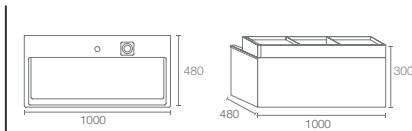

TERRACE™ COLLECTION

A perfect blend of form and imagination. The contemporary clean lines for Terrace™ is a veritable work of art, with its trademark L-shape redefining luxury of form. The range also features cutting-edge technology, with the patented free drain system being one of the key features of the Terrace™ collection.

KOHLER® Unique Experience

Here's a closer look at the technology systems that drive KOHLER® hydrotherapies. Each of these technologies has been developed by our own design and engineering teams to bring you the best options and experiences in Hydrotherapy.

EFFERVESCENCE TECHNOLOGY

A series of ports, optimally located, distributes champagne-like bubbles that comprises of the perfect combination of air and water, allowing them to cling to and caress your skin. The result is a sublime, all-encompassing experience.

RIVERBATH™

Available on select models, a factory-installed pillow with two integral neckjets pulses alternately from left to right for a stimulating, stress-relieving massage at the back of the neck. Customize your experience by adjusting the pulse and water flow to your level of comfort.

VIBRACOUSTIC™

KOHLER's VibrAcoustic technology brings personalized hydrotherapy to select KOHLER® baths, for a sensual experience unlike any other. Hidden speakers emit sound waves that envelop and gently resound within the body. Choose a soothing spa session with built-in compositions, unwind to your own music playlists, or catch up on news and podcasts.

BASK™ HEATED SURFACE

Select baths are available with a heated back surface for additional spa-like comfort. Three adjustable temperature settings invite you to customize your bathing experience and immerse yourself in warmth and relaxation.

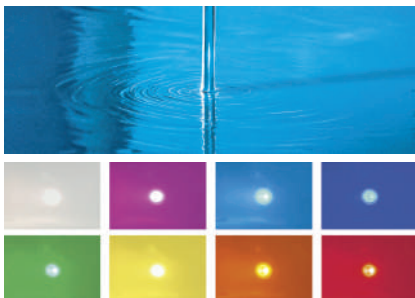

WHIRLPOOL JETS

KOHLER® whirlpool jets are individually adjustable to target specific areas of your body. Delivering the optimal mix of air and water, they fully adjust the water flow intensity and directional control.

BACKJETS

Available on select models, the Bodymassage backjet system, featuring ten KOHLER® backjets, loosens tension throughout the back and shoulders and encourages deep breathing. Our backjets fire two by two, targeting the lower back first and moving all the way to the shoulders. In this way, our backjets simulate the natural progression of a hands-on massage.

CHROMATHERAPY

A colour experience designed to enhance bathing, this eight-colour spectrum washes over the body in a repeating one-minute sequence or may be programmed to rest on any one of the colours, to help create a soothing or energizing ambience.

BUBBLEMESSAGE™ AIRJET DESIGN

This proprietary design ensures comfortable and consistent bubbling action, making KOHLER® BubbleMassage™ the ultimate air bath experience. The 360-degree staggered airjet design, along with targeted foot and lumbar airjets, delivers a full-body massage.

Purist™ Drop-in whirlpool with spa massage in white (K-1110-V-0)

ENHANCE YOUR COMFORT

We offer various accessories to make your bathing experience even more relaxing and tailored to your preferences. A pillow and footstop provide added comfort and are available in the most popular KOHLER® colours. Bath and whirlpool trim options, drains and under-mount installation accessories allows you even more flexibility for customization.

REMOVABLE PILLOWS

The optional pillow (K-1491) provides a comfortable addition to any KOHLER® bath, whirlpool or BubbleMassage™ air bath. Suction cups hold the pillow firmly in place, yet allow it to be removed easily for cleaning.

REMOVABLE FOOTSTOPS

An optional footstop (K-1601) can be placed at the base of the feet or under the thighs to comfortably adjust your bathing position in larger baths. It coordinates with any KOHLER® bath, whirlpool or BubbleMassage™ air bath.

CLEARFLO SLOTTED OVERFLOWS

KOHLER® offers you a wide array of features, including the Clearflo slotted overflow drain that affords up to an additional 1½ inches of water depth. Recommended overflow/drain combinations for each bath are listed in the feature charts. To view our complete selection of drains, visit us at KOHLER.com

ELECTRONIC CONTROLS

All hydrotherapy features may be independently controlled with ease. Some models include a lighted keypad and floating remote control to add further customization and convenience.

ELECTRONIC DRAIN

Completely modular, PureFlo rough drains let you choose from a basic rotary-handle trim kit or contemporary, traditional and victorian designs with rotary and push handles. At any point in the life of the drain, the trim can be changed without accessing plumbing behind the bath or wall – perfect for remodeling. Rough drains and trim kits are sold separately.

SPA | Massage

MULTI-SENSORY ESCAPE WITH ENHANCED EXPERIENCE

Offering essential benefits of KOHLER® whirlpool with enhanced features, KOHLER® Experience Whirlpools offer real solutions for unwinding and revitalization.

SPA EXPERIENCE

Your whirlpool should not only accommodate your particular hydrotherapy interests. It should exceed your expectations. KOHLER® Experience Whirlpools offer essential whirlpool benefits, with functional upgrades on virtually every performance feature.

THOUGHTFUL DESIGN

SPA series offer multi-experience or multi-therapy options to customers to choose from

1. Invigorating whirlpool massage
2. Soothing air jets for indulgence
3. Neck massage to relieve your shoulders

DISTINCTIVE FEATURES

Choose additional options to enhance your KOHLER® SPA experience. Select whirlpools are also available with Enhanced Experience options, which are designed with delightful chromatherapy that helps transform your bathroom into a luxurious, multi-sensory escape.

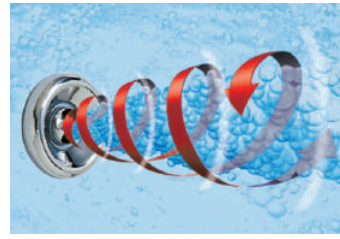

FLEXJET TECHNOLOGY

Flexjet whirlpool jets are individually adjustable to target specific areas of your body. They adjust 360-degrees for intensity level and 60-degrees for direction, and deliver the optimal mix of air and water.

BACKJETS

The Bodymassage backjet system, featuring 10 KOHLER® backjets that operate in sequences to simulate a spa massage, loosen tension up the back and across the shoulders, and encourage deep breathing.

IDEAL WHIRLPOOL AIRJETS

With bi-directional air jets and a unique swirling bubble effect, you experience a relaxing massage with the consistent flow of air and water pressure.

WATERPROOF REMOTE CONTROL

Select models come with a waterproof remote control which adds further customization and convenience.

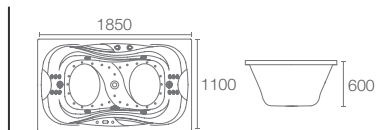

NECK MASSAGE

Unique dual action neck massage pillow offer both radiant heating and kneading function to relieve the muscles.

BUBBLEMESSAGE™

A REFRESHING EMBRACE OF LIGHT BUBBLES

KOHLER® BubbleMassage™ technology creates thousands of bubbles that thoroughly support and massage your body to deliver a holistic, complete-body experience.

THE SPA EXPERIENCE

KOHLER® BubbleMassage™ Baths infuse new life into the bathing experience. Feel the refreshing embrace of light bubbles washing over your body, or immerse yourself in a rejuvenating targeted or full-body massage.

BUBBLEMESSAGE™ AIRJET DESIGN

120-122 Innovative air jets are precisely and strategically positioned to form a sophisticated, highly efficient delivery pattern that embraces the bather with bubbling massage.

DISTINCTIVE FEATURES

Intelligent cycle system can be activated at the touch of a button to quietly purge residual water from the air channels. An automatic purge cycle is also activated about 30 minutes after each use.

- Soft Touch User Interface makes it easy to set preference.
- One-Touch Drainage
- Simply tap the "Electronic Drain" button to activate automatic draining.

BUBBLEMASSAGE™ BATH COMFORT FEATURES

- 
BUBBLEMASSAGE™ AIRJET DESIGN
 120-122 Innovative airjets are precisely and strategically positioned to form a sophisticated, highly efficient delivery pattern that embraces the bather with bubbling massage.
- 
PRECISELY POSITIONED AIRJETS
 The ergonomical positioning of the airjets on the lower bath perimeter ensures a most comfortable, consistent and complete bubbling action.
- 
INTELLIGENT CLEANING SYSTEM
 A manual cycle can be activated at the touch of a button to quietly purge residual water from the air channels. An automatic cycle will also be activated about 30 minutes after each use.

BUBBLEMASSAGE™ UPGRADE | ELECTRONIC DRAIN

Advanced Electronic Drain Technology
 The electronic drain is activated automatically when the water depth is detected to be above the overflow line, thus eliminating the need for overflow holes. But when the faucet is turned off and the water level is already below the warning line, the draining will stop automatically.

Overflow Indicator
 Buzzer will signal alarm when water level reaches overflow line - no need for user to watch and wait while the tub is being filled.

One-Touch Drainage
 Simply tap the "ELECTRONIC DRAIN" button to activate automatic draining.

Water Temperature Indicator
 The water temperature is detected via a temperature sensor and shown on the user interface.

WHIRLPOOL

PROFLEX

With precise positioning and intensity-adjustable jets that deliver powerful directed massage, KOHLER® whirlpools are engineered to maximize the unique benefits of hydrotherapy.

SPA EXPERIENCE

Whether you are in the mood for soothing relaxation or an invigorating hydro-massage, KOHLER's breadth of products, features and options will transform your bathroom into a personalized retreat.

THOUGHTFUL DESIGN

KOHLER® delivers an extensive array of unique hydrotherapy experiences and styles - antique to contemporary, luxurious to minimalist - that can be customized to suit your experiences.

DISTINCTIVE FEATURES

Streamlined Nozzles: Newly upgraded nozzles, bring safety and comfort to you with its only 3mm height, that you cannot feel it.

Intelligent Cleaning System: The pipes are designed to purge the water completely, preventing residual water and breeding of bacteria. A manual cycle can be activated at the touch of a button to quietly purge residual water from the air channels. An automatic cleaning cycle is activated about 30 minutes after each use. KOHLER's strict quality inspections ensure product safety.

IDEAL WHIRLPOOL AIRJETS

With bi-directional air jets and a unique swirling bubble effect, you experience a relaxing massage with the consistent flow of air and water pressure.

FLEXJET TECHNOLOGY

Flexjet whirlpool jets are individually adjustable to target specific areas of your body. They adjust 360-degrees for intensity level and 60-degrees for direction, and deliver the optimal mix of air and water.

DESIGNED FOR HYGIENE

The pipes are positioned and designed to conduct a complete purging of water, preventing residual water and bacteria breeding. Strict quality inspections were conducted on the pipes to ensure usage safety.

INTEGRATED WHIRLPOOLS

KOHLER® integrated whirlpools provide bathers ease of use by pre-installing the faucet, bath apron and bath drain before delivery. This saves the bathers time for finding complementing fittings for the whirlpools.

DUAL MASSAGE SYSTEM

In addition to bi-directional air jets, select KOHLER® whirlpools also come installed with effervescence air ports.

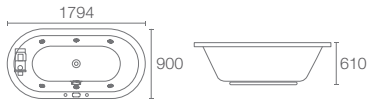

WATERPROOF REMOTE CONTROL

Select models come with a waterproof remote control which adds further customization and convenience.

Composed™ floor mount bath tub filler with handshower (K-73087T-B4-CP)

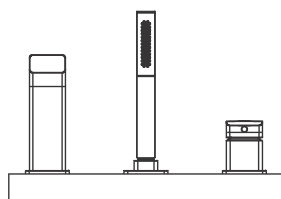

BATH FILLERS

Our expanded offering of bath fillers comes in a range of styles. Based on your bathroom's configuration you could choose from a freestanding, floor-mount bath filler or deck-mount bath mixer.

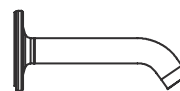

FLOOR-MOUNT BATH FILLER

- Features an integrated handshower for added convenience
- Single-handle models easily control water temperature and activation
- Bath fillers carry water up from the floor, keeping the bath's deck uncluttered

DECK-MOUNT BATH FILLERS

- Simple and intuitive to use
- Ideal for under-mount and drop-in installations
- Deck-mount faucets can be installed onto a stone or tile deck, or often onto the bath's surface

BATH SPOUTS

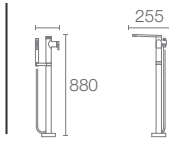

- Conceal piping behind the wall, making only the bath spout and controls visible
- Keeps deck uncluttered for a clean look

FAUCETS

The design and detailing of your bathroom is something that can bring you pleasure everyday; it is not a place for compromise. KOHLER® offers an inspiring breadth and depth of faucetry for basins, bath and shower applications. Ceramic disc valving and flexible stainless steel supplies, along with an array of styles and finish options, allow homeowners to complete their bathrooms with confidence.

FAUCETS

The Kohler® Faucets Advantage

KOHLER® faucets are designed, engineered and manufactured to the highest standards of quality and deliver a lifetime of uncompromised performance.

Life-50™

Cartridges tested for 50 years of use **2 times** the industry standards.

Life-Bright™

Finishes that last **2 times** longer than industry standards*, made stronger with 3 layers of coating.

Click-50™

Saves 50% water through an intermediate stop in the faucet lever.**

PVD Technology

Available with The Vibrant® Collection, Physical Vapor Deposition technology offers a range of unique finishes with a 12-year residential warranty.

Versatile Faucet Height

Combine standard and tall height faucets with the perfect wash basin, vessel, countertop, etc. to suit your needs.

Safe Touch

Protective shell ensures that the faucet is safe to touch.

Easy Clean Sprayface

The faucet surface can be wiped clean with only a wet cloth to get a sparkling finish.

*Tested against Acetic Acid Salt Spray that's 8X powerful than industry standards.

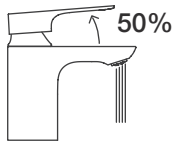

** Tested for 1 million cycles which is 2 times the industry standards.

FAUCET TECHNOLOGY

CLICK-50™ TECHNOLOGY

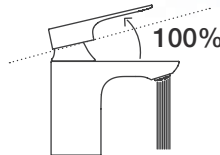

CLICK-50™ SAVES 50% WATER THROUGH AN INTERMEDIATE STOP IN THE FAUCET LEVER**.

KOHLER® Click-50™ technology has an intermediate stop built into several of our faucet levers for a 50% water saving. This expertly designed technology offers consumers the opportunity to utilize the faucet in two modes:

INTERMEDIATE MODE

Provides sufficient flow for a large number of routine washing which includes brushing your teeth and hands.

FULL FLOW MODE

Provides full flow for more intensive usage including cleaning your washbasin or filling the basin quickly.

AWARD-WINNING DESIGN

Whether traditional or contemporary, a faucet that bears the name KOHLER® carries with it the pride of having been designed with utmost care for every detail. Each piece is thoughtfully designed to be exceptional on its own.

reddot design award

FAUCETS WITH SAFESEAL™ FEATURE

No contamination of lead and nickel in water – Basin faucets have sealed waterways made of food grade material which ensures water does not touch the inside metal surface.

Safer Touch - Scald Proof

Hot water doesn't come in contact with the metallic surface insulated from the hot water by special waterways, ensuring the faucets are always safe to touch.

PROVEN PERFORMANCE

Cartridges used in single and two-handle faucets employ ceramic discs fired to near-diamond hardness, so even debris get ground and flow out. The discs' movement has a polishing effect that over time creates smooth and consistent handle operation.

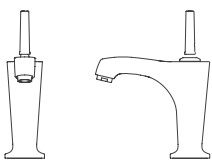

** Tested for 1million cycles which is 2 times the industry standards.

FIND YOUR FAUCET

Our faucets and accessories allow you to design bathrooms that are tailored expressions of your personal style. It's simply a matter of settling on a design and finish that's right for you and choosing the components that you'll need, we've done the rest of the legwork for you.

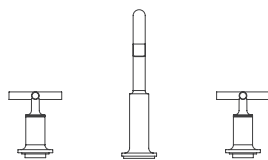

SELECT A CONFIGURATION

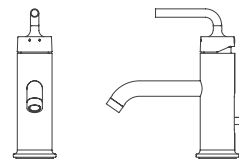

SINGLE-HANDLE FAUCETS

- Control water volume and temperature with a single handle
- Designed for basins with a single hole
- Suitable for basins with three holes when used with an escutcheon plate

WIDESPREAD FAUCETS

- A great addition to larger vanity areas and pedestal basins
- Require three faucet holes that measure 203mm to 406mm from one side to another

TALL FAUCETS

- Known as tall or tower models
- Designed to accommodate over the counter KOHLER® vessels

WALL-MOUNT FAUCETS

- Mounted on the wall behind the basin
- Ideal for over the counter, wall-mount and under-mount basin
- Helps keep the countertops clear

DESIGNED TO BE DESIGNED

FAUCETS

The perfect faucet doesn't exist in nature. Which is why we let you mix & match the spout and handle to create one. Go ahead, turn your spaces 'personal' with the turn-of-the-century allure of Artifacts® vintage collection that's at home in any décor. Don't just stop there. Articulate your spaces with the minimalistic fluidity and industrial chic of the Components™ range in a design metaphor that speaks your own language.

1. Choose your spout.

2. Choose your handle.

PARALLEL™

PARALLEL™ Collection with precise cuts and ultra flat surfaces, Parallel™ faucets and accessories bring sophistication to the modern bathroom through controlled expression. The collection is deliberately minimal to work perfectly with any space. The dichotomy of round and square forms is unified by characteristic angles that deliver beautiful reflections and precise alignment. Smaller details deliver character originality and take the collection to a higher level of sophistication.

Hone

Straight-of-the-art

Embodying an obsession for superior craftsmanship, Hone intersects straight angular edges with precise planes and soft radii to sculpt a new metaphor for modern minimalism. There's no straighter route to exhilaration.

Get ready to experience straight-of-the-art.

HONE

A conduit between the hard work and endeavour of early 20th century industry, Hone redefines the ideals of comfort to offer a slightly more evocative and heavily styled solution for the home.

SHOWER SPACE

From floor to ceiling, wall to wall, KOHLER® offers you all of the products needed to create a dream shower for every style and lifestyle. Our products are designed to work together to make your daily shower feel like an escape from the world.

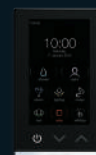

Here's what you need to consider as you build your shower space:

- Digital showering
- Valves
- Bath and Shower Trims
- Rain Panels
- Rainheads
- Water Tiles
- Handshowers and Brackets
- Shower Columns & Panels
- Shower Enclosures

DESIGN YOUR **SHOWER**

A shower can be the place you ease into the day's rhythm or wind down from the rush. Elevate your showering experience with Kohler® digital & thermostatic valves. Choose the components that best suit your needs, from the full, rich coverage of a rainhead to the targeted stream of body sprays to the multifunction showerheads.

DIGITAL & THERMOSTATIC VALVES

Choose from Digital and Thermostatic valves that allows separate controls for temperature and flow.

RAINHEADS

Feature Katalyst™ spray technology for air-infused water droplets that deliver a big water experience.

WATER TILES

Deliver a targeted spray of water to help ease and relax your body.

HANDSHOWERS

Add versatility and functionality to your showering experience.

BATH SPOUTS

Choose from wide range of bath spouts, conceal piping behind the wall keeps deck uncluttered giving it a clean look.

WHICH VALVE SYSTEM IS RIGHT FOR YOU?

Once you've determined your desired showering experience, it's time to think about how you want to control your shower. There are several options available that allow you to create the perfect showering experience, controlled exactly the way that suits your needs.

Beitou™ Recessed thermostatic 5-way trim (K-99868T-9-CP)

DIGITAL VALVES

For the ultimate in clean design, functionality, performance and convenience, Digital Valve Systems are unmatched. Comprised of a digital thermostatic valve and an intuitive, easy-to-operate digital interface, these systems invite you to create a personalized sensory experience. Whether you're looking for a basic digital system or a truly customizable solution with options for music, lighting, steam and spa experiences, Kohler® has a solution for you.

- DTV Prompt® offers an affordable digital showering solution with two or three outlets and 13.0 gpm maximum flow rate
- DTV+™ takes your daily shower ritual to another level with pre-programmed spa experiences that harness the power of water, music, steam and light to take you worlds away with up to 12-outlets
- Easy to set default and maximum shower temperatures - great solution for the young and old
- Ability to add a second interface outside the showering space for remote operation
- Warm-up feature brings your shower up to temperature, pauses the flow and lets you know it's ready to use
- Anti-scald protection feature

Range includes DTV+™ and DTV Prompt®

THERMOSTATIC VALVES

If you want to take a basic shower to the next level, a Thermostatic Valve is the choice for you. Once you set the temperature, the valve automatically maintains your set temperature and is perfect for all applications from a basic bath/shower to more elaborate custom showers. With Kohler's premium in-wall valve system, you can build your own luxurious home spa with 2 to 7 outlets for a total body showering experience. Thermostatic control ensures a constant temperature.

Range includes Beitou™ and Auto Sense

MANUAL VALVES

Our range of Manual Valves puts you in control of your needs. With intuitive functionality that is based on user experience, these are designed for a satisfying showering experience. Working in precision behind the scenes to deliver performance year after year.

Key Features:

- Durable ceramic cartridges for lasting performance and ensuring that debris get crushed during valve operation
- Option of a 3-way diverter, any 2 of which can run together offering total indulgence
- Provides greater design flexibility
- Available in Vibrant finishes
- Have undergone rigorous testing
- Corrosion-resistant

OUR MOST ADVANCED SHOWERING SYSTEM

DTV+™ is a Digital Thermostatic Valve (DTV) that controls four elements to give you a true multi-sensory showering experience. Every element of your showering experience is completely customizable to your needs and is controlled by the touch-screen interface. There's nothing quite like it for the home and it's only from Kohler®.

CONTROL THE ELEMENTS

WATER

DTV+™ works with one or two-valves. Each valve gives you six, three or two ports that run different showering components simultaneously.

MUSIC

Add a KOHLER® Amplifier and SoundTile® speakers to introduce music into any showering experience. Amp yourself up for the day or unwind from the daily grind with your favorite playlist.

STEAM

Add a steam adapter and steam generator to bask in the rejuvenating embrace of a soothing steam experience.

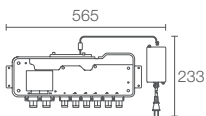

LIGHTING

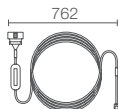

Add lighting elements to control every aspect of the entire room's ambience. It will set the mood for your very own spa retreat.

GO DIGITAL

DTV PROMPT® DIGITAL SHOWERING SYSTEM

PRECISION

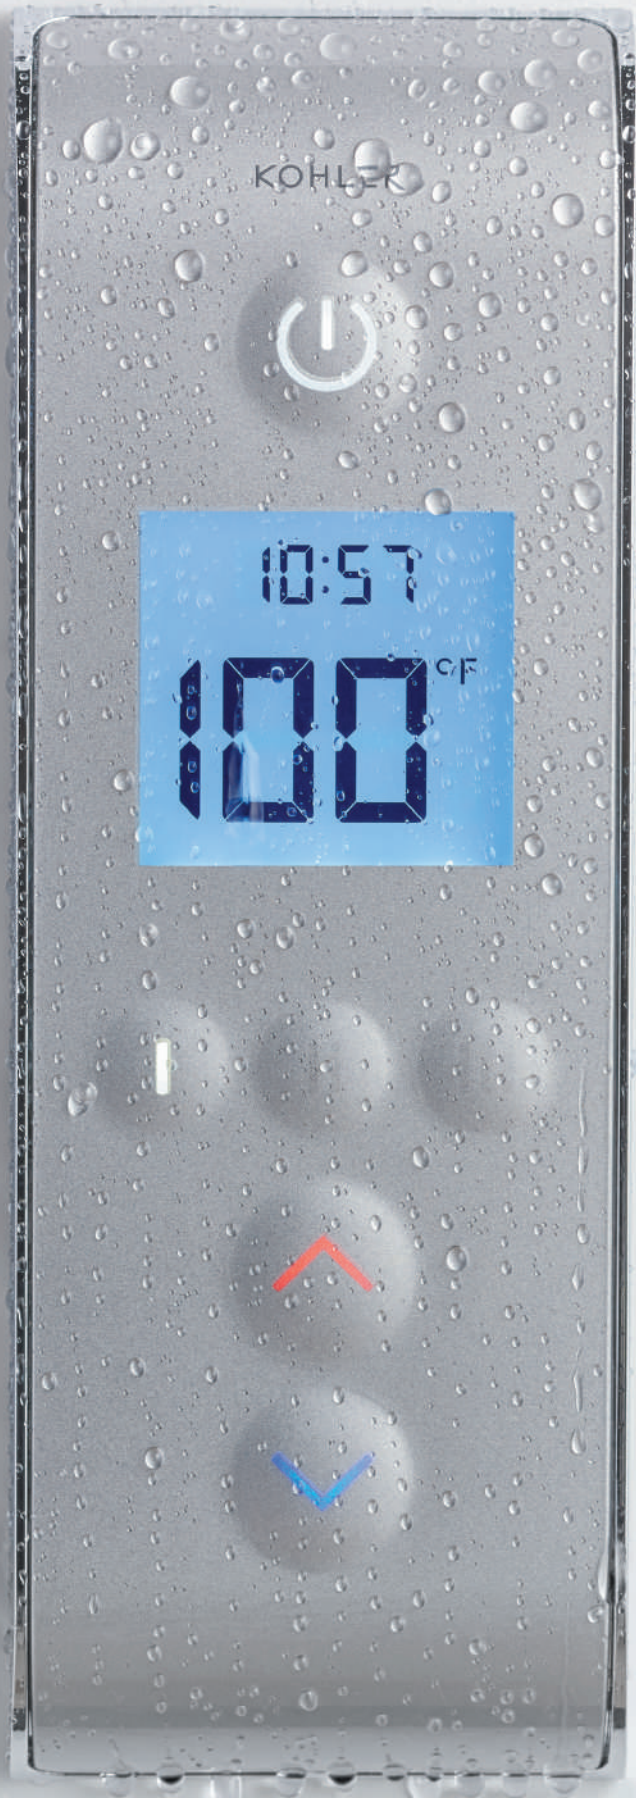

DTV Prompt® lets you select and set exact water temperature, pause your shower and features a timer to help set time limits to save water and aid in busy morning routines.

CONTROL

Easy-to-use digital interface lets you easily and accurately set showering preferences for multiple users. This single interface replaces numerous valves and controls for a sleek shower space.

CUSTOMIZATION

Choose up to three components for a perfect shower every day. Create your own combination of showerheads, rainheads, handshowers and body sprays.

DTV Prompt® three-outlet digital interface (K-558-1-CP) and DTV Prompt® interface mounting bracket (K-559-CP)

DTV PROMPT® IS FLEXIBLE

DTV Prompt® works with many showering components on one, two or three-outlets, and it allows you to change between them with the push of a button.

THREE-OUTLET

ONE-TOUCH OPERATION
On / Pause / Off

LARGE DIGITAL DISPLAY
The large 197x 50mm interface with intuitive LCD display is incredibly easy to use.

SIMPLE DIVERTER CONTROL
Toggle between outlets with the push of a button.

PRECISE TEMPERATURE CONTROL
Digital thermostatic valve technology guarantees accurate and safe temperature control.

Advantages of Aqua Turbo 360

Elevate your showering experience with the Aqua Turbo 360 showering system from KOHLER®

First of its kind in the industry to revolutionize the showering experience

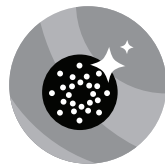

Reduce plumbing hassles and makes for an easier installation process

60
litres/per
minute

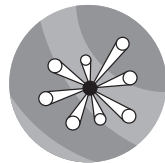

High performance with increased water flow at 60* litres per minute, instead of the standard 25-30* litres per minute

Leads to a neater bathroom environment

Significantly better value with a single-valve instead of the standard two

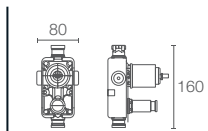

Allows flexibility with multiple showering configuration

Toobi™ Wall-Mount exposed bath and shower (K-75457IN-4-CP)

TOOBI™

Toobi™ Exposed Bath & Shower System, the newest launch from KOHLER® is designed to transform the showering experience into sheer rejuvenation. A fusion of thermal ergonomics and post-modern design sensibilities, Toobi™ re-imagines the showering experience for contemporary bath spaces. Toobi™ exposed bath & shower from Kohler® is especially designed for India, by our international design studio in London. Its seamless, clean design will give a modern twist to any bathroom and add to the bathspace.

CASCADE FLOW

Cascade flow from spout to ensure no splashing or spraying

DURABLE SHINE

Toughened Scratch Proof glass top provides top spaces to store bath accessories that eliminates salt and mineral deposit on top surface

EASY REFIT

To ensure that the system is compatible with existing exposed systems in the market

SCALD PROOF

Water flows through internal waterway ensuring outer surface stays unaffected by temperature variation

STORAGE SPACE

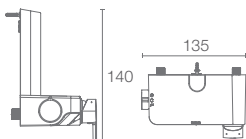

Toughened glass top ensures scratchless storage area

TOOBI™

SHOWERING **EXPERIENCE**

SELECT YOUR SHOWERING COMPONENT

RAINHEADS

- Targets your head and shoulders
- Provides a soft and gentle drenching spray
- Great for a relaxing, spa-like experience

SHOWERHEADS

- Targets your head, shoulders, back and face
- Delivers excellent pressure and coverage
- Designed to clean your hair and body
- Single-function showerheads offer the best spray for washing
- Multifunction showerheads include a variety of sprays

BODY SPRAYS

- Depending on placement, you can target your shoulders, back or feet
- Offer a targeted, well-pressured spray
- Use to relieve sore muscles with a hydromassage

HANSHOWERS

- Reach head to toe for increased mobility
- Can be a primary or secondary water source
- Some provide multiple spray experiences
- Designed to clean your hair and body

Our showering experiences are designed to make your daily ritual an escape from the ordinary. See where your shower can take you and what it can do for you every day.

PHYSICAL

- Washes your hair and body
- Soothes sore muscles and joints
- Relieves sinus pressure from a cold or flu
- Increases blood circulation

MENTAL

- Wakes and re-energizes you
- Relaxes and clears your mind
- Gives you a space to reflect
- Relieves stress

THE KOHLER® SHOWERING ADVANTAGE

LASTING FINISH

Resists corrosion and wear two-times longer than the industry standard.

RACETRACK WATERWAY

Ensures equal distribution of water through the showerhead and delivers a revitalizing spray with full coverage.

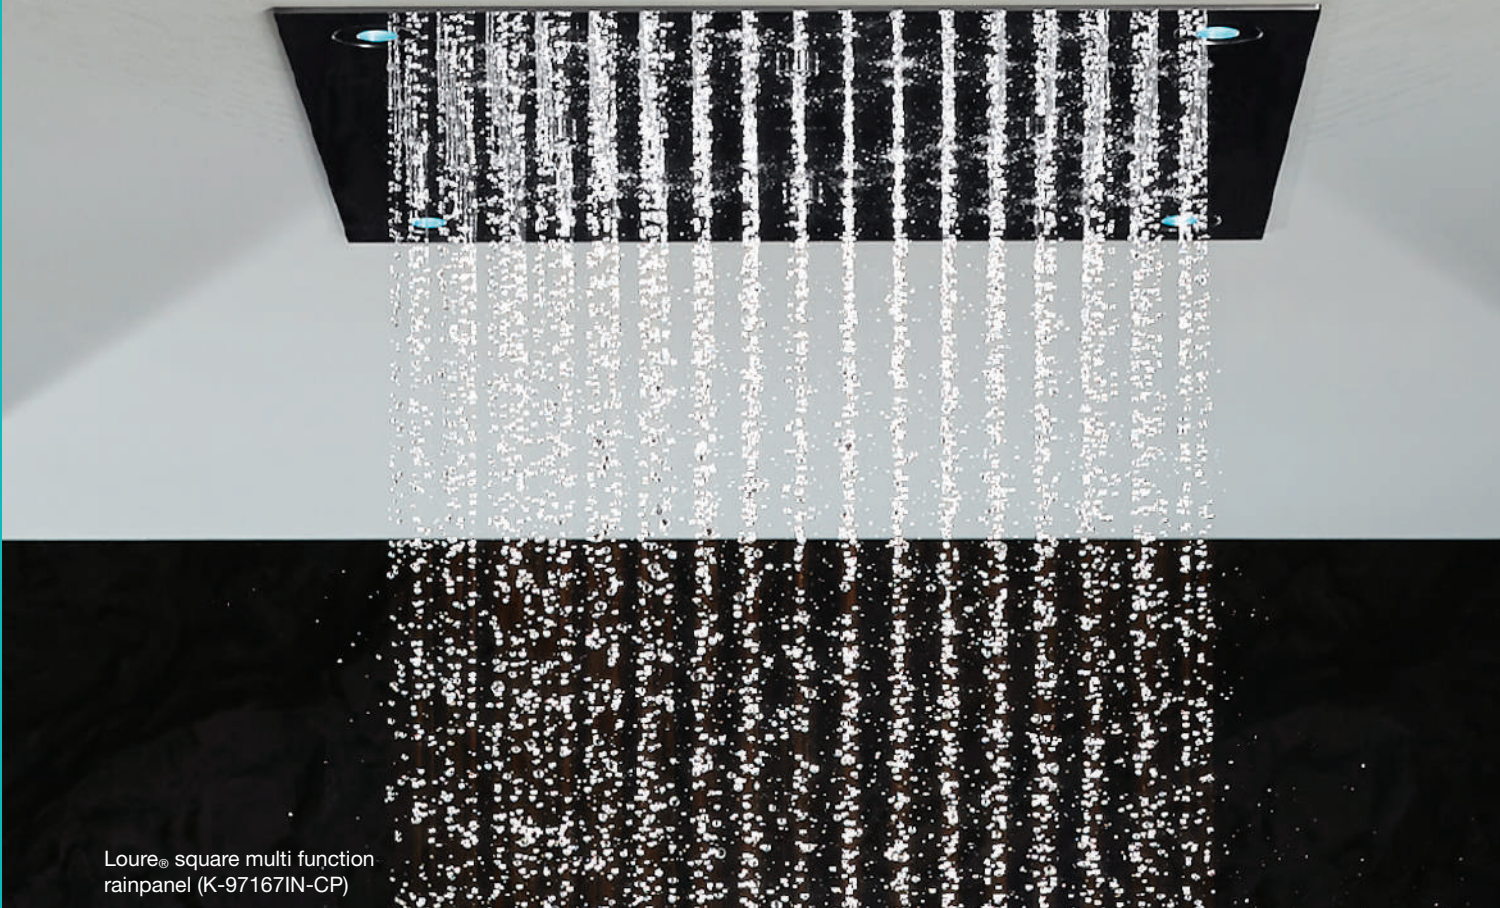

KATALYST™ TECHNOLOGY

Injects two litres of air into the water flow per minute, making every drop bigger and more luxurious.

MULTIFUNCTION SHOWERHEAD

Choose from a range of revitalizing and relaxing sprays with a wide selection of spray solutions, including big, drenching drops, a soft, silky spray, a massaging pulse of water, and a soft luxury spa spray.

Loure® square multi function rainpanel (K-97167IN-CP)

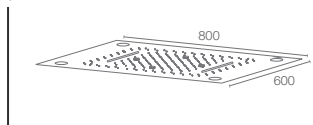

RAINPANEL

Exquisitely crafted rainpanels with multiple shower configurations that transforms the element of life and bend it to your will. So forget showering, immerse yourself in water shaped by pure indulgence.

Elevate your bath with a luxury called **steam.**

Add rejuvenation to your daily shower with KOHLER's Invigoration Series that transforms every bath into a spa experience. Detox your system, replenish your skin and revive your nerves with thoughtful and leading-edge features like quick steam generation, consistent flow and intuitive controls that turn your space into a deeply personal retreat.

KOHLER® **Steam**

Bring home the benefits of steam with the **Invigoration™** Series from Kohler®.

Fast-Response® Technology

Invigoration™ Series steam generators produce steam within one minute of pushing the power button.

Constant Steam

This series is designed to produce steam at a consistent rate, which greatly minimizes temperature fluctuations.

Power Clean™ Feature

At the touch of a button, water flushes sediment out of the generator through the steam head. No manual flushing required.

Intuitive Operation

The interface is easy to read and use with clear function indicators for controlling operation, time and temperature.

Eco-Friendly

The Invigoration™ Series uses approximately one gallon of water per 20-minute session, which is significantly less water than a traditional shower experience.

Auto Shutoff

To ensure safety, the system automatically shuts down after 20 minutes if not reactivated by the user.

CUSTOMIZE YOUR EXPERIENCE

From basic to extravagant, from manual to digital, the Invigoration™ Series can turn every showering experience into a personal spa-like retreat. The series can also pair with the KOHLER® DTV+™ digital showering system. A digital shower gives you greater customization of your experience, and you can control every aspect with the touch of a button.

The Basic Steam Shower System
Control Kit + Steam Generator

The Digital Shower System
DTV+ System + Adapter Kit + Steam Generator

Add Multi-Sensory Components

Design your own spa-like experience by adding music with a KOHLER® Amplifier and SoundTile® speakers. And this Invigoration™ steam series also lets you add aromatherapy to the experience.

Durable Construction

The generator case is constructed of insulated stainless steel, which maintains the temperature while ensuring the case is safe to the touch.

Peace of Mind

Kohler® offers a Five-Year Warranty on steam generators*.

* 3 years standard + 2 years on filling the warranty forms.

Invigoration™ Series Steam Generator Control Kits

For use with Invigoration™ Series steam generators.

DTV+ Adapter Kits

For use with Invigoration Series steam generators paired with KOHLER® DTV+™ digital showering system.

WORLD CLASS QUALITY

All components adhere to global norms of longevity and safety.

KOHLER® Shower Enclosures conform to strict international quality and safety standards. Tested rigorously in KOHLER® test labs, these standards are the toughest in the industry. They go a long way in ensuring a hassle-free usage experience for years to come.

Hardware	Type of Test / Certification	KOHLER® Standards
Polished aluminum profile	16-Hour Copper Accelerated Acetic Acid Salt spray test	Grade 10
Brass	Acetic Acid Salt spray test	> 72 Hours
Stainless steel	Acetic Acid Salt spray test	> 96 Hours
Wheels and hinges	EN14428	40,000 cycle
Glass	ASTM C 1048 (American Standards for heat treated flat glass)	> 60 pieces in any 50X50 square mm (Fragmentation test)

MEMOIRS™

This stunning design features the minimum use of metal. Bold curved hinges with a chrome finish secure the glass doors, allowing for large glass spans, while there are also design-matched handles, hinges, wall clips and floor clips. Transparent sealing strips on three sides of the door also ensure perfect sealing.

HINGES

Innovatively designed hinges firmly secure the glass. Seamless sealing strip forms a water tight seal.

HANDLES

High-quality handles combine solid brass construction and distinguished design. Hinges, handles and wall clips are design-matched.

WALL CLIPS

Design matched with handles and hinges.

WALL CLIPS

Wall clips have out of plumb adjustability to ensure perfect fitment.

Width Range: 800-1800mm

Width Range: 900-1550mm
Depth Range: 250-1400mm

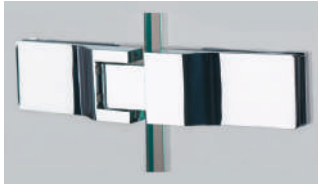

Width Range: 900-2400mm

Height: 1950mm, Door width: 655mm
Door options: Choose from left or right hinged; inside or outside opening.

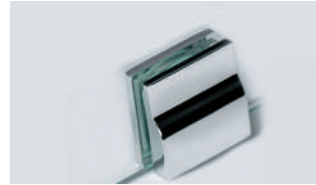

SINGULIER™

It features a contemporary look with design-matched handles, hinges, wall clips and floor clips. Hinges with a sleek chrome finish firmly secure the glass doors, while transparent sealing strips on three sides of the door frame ensure perfect sealing.

HINGES

Innovatively designed hinges firmly secure the glass. Seamless sealing strip forms a water tight seal

FLOOR CLIPS

Design-matched with handles and hinges

HANDLES

High-quality handles with distinguished design. Hinges, handles and wall clips are design-matched

KOHLER® Commercial Products deliver style and performance that endure. Whether you're offering plumbing products for institutional, or for hospitality applications, KOHLER® is your source for hard-working fixtures and faucets of exceptional quality and singular beauty. Our full commercial line includes ADA-compliant toilets, basins, urinals and Touchless™ bathroom faucets in a wide range of coordinated design and installation options.

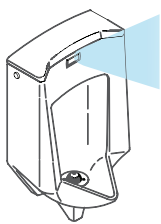

Geometric™ cold-only basin faucet without drain in polished chrome K-134671N-ND-CP

BEFORE YOU CHOOSE A URINAL

KOHLER® has developed a urinal offering that raises the bar on design and water conservation. Here are a few features of KOHLER® urinals to look for as you browse the product portfolio.

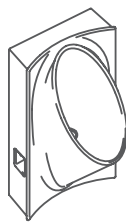

Bardon™ urinal in white (K-4991-ER-0)

TOUCHLESS™

From the Bardon™ Touchless™ urinal featuring an integrated sensor to a wide selection of urinals that combine with KOHLER® Touchless™ flushometers, our touchless solutions ensure dependable water savings and added hygiene.

WATERLESS

KOHLER® has redefined the paradigm for urinal design and functionality by offering waterless, virtually splash-free urinals. In a typical installation, these urinals can save 147,631 litres of water per fixture per year and significantly reduce sewage and maintenance costs.

WATER OPTIONS

For projects that require flushing urinals, KOHLER® manufactures urinals in a range of lpf platforms, from water-saving 0.47 lpf to standard 3.8 lpf. We offer a number of flushing styles, including washout, blowout and siphon-jet systems.

URINALS

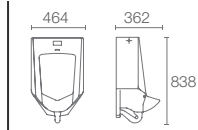

KOHLER® Urinals are equipped with excellent water-saving function and cleaning efficiency. Different designs are available for matching with other KOHLER® sanitary products.

BEFORE YOU CHOOSE COMMERCIAL FAUCETS

To help you specify the best KOHLER® faucets for your commercial or hospitality enterprise, we've outlined some of the key features that you'll want to keep in mind as you browse our portfolio of products.

Bardon™ urinal in white (K-4991-ER-0)

HYBRID ENERGY SYSTEM

Enjoy maintenance-free touchless™ faucet power for 30 years. The Hybrid energy system is quick to install; doesn't require constant use, solar power or repeated maintenance to operate; and is free of mercury and heavy metals. That means no turbines, no photovoltaic cells, no nonsense.

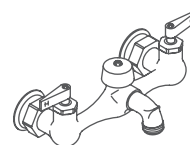

INSIGHT™ TECHNOLOGY

Improved over traditional infrared sensors that rely on fixed settings and may misread environments, Insight™ technology features an adaptive infrared sensor that has the ability to analyze the surrounding area once installed. After recording these details, Insight™ is able to calibrate the sensor to filter false triggers and optimize the faucet's operation.

MANUAL CONFIGURATIONS

In addition to Touchless™ faucets for commercial applications, we offer manual faucets in a variety of configurations, including wall-mount, widespread, centerset and single-handle, to accommodate any number of bathroom designs and functionality needs.

INSTITUTIONAL SOLUTIONS

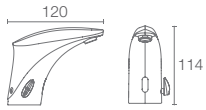

KOHLER® offers specialized institutional faucets that provide maximum durability in the most demanding environments. Like all of our faucets, they are manufactured with premium materials and faucet finishes that resist wear twice as well as industry standards.

** Fixture & Plumbing accessories, including but not limited to, grip rails, trim kits, drains: Duostrainer® sink strainers and soap/lotion dispensers; are warranted to the original purchaser to be free of defects in material and workmanship for one year from date of purchase.

During the warranty period if (in the opinion of Kohler India) the defect is due to defects in the material or workmanship, Kohler India or its Authorized Service Franchisee/Representative will, at its sole option, repair or replace free of cost, any defective component or part of the Faucet, Sanitaryware and Bathing product, subject to the terms and conditions described below:

Kohler India or its Authorized Service Franchisee solely can service/repair the Product. This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims or requests.

1. This warranty does not include payment of or responsibility for any excise duty, central taxes, state taxes and octroi or other local taxes assessed to the parts supplied, replacement unit or repaired during the warranty period.
2. This warranty is not valid and in- effective, if the Products are not installed according to the instruction manual, the Product is found tempered/misused, any warranty norms are violated, Customer is unable to produce copy of invoice at the time of service visit, the breakdown is not arising out of manufacturing defect, but due to external reason such as: water impurities, masonry, electrical, plumbing error, water hardness beyond permissible limits, inadequate or excessive water pressure, non-usage of product for more than 6 months, usage of abrasive cleaners, ammonia, bleach, acid, wax, alcohol, solvent or any other non-recommended items on product, or improper care and cleaning of the product.

3. Kohler India is not responsible for labour charges, installation or other incidental or consequential costs. Kohler India is not responsible or liable for any special or consequential damages due to the defective Product, or due to defects of any component or part thereof. In no event shall the liability of Kohler India exceed the purchase price of the Product.
4. Internal and external Cleaning of the products, such as In-wall tank, drain and drain plugs, aerators, shower nozzles, faucet finishes are not covered under Kohler Limited warranty.
5. If the Product is installed beyond the municipal limits of Kohler India's Branch Office /Authorized Service Franchisee locations, any and all costs and expenses incurred for repair /service of the Products in respect of a) to and from travel of service personnel and b) transportation of the Product and /or spare parts and /or components from the location of Kohler India's branch office or Authorized Service Franchisee to customer's location and back shall be borne wholly and solely by the customer at the prevailing rates, and Kohler India shall not be liable for any damage caused to the Product in transit or delivery for repair.
6. Warranty period will start from date of invoice and shall automatically terminate upon the expiry of the warranty period even if the Product has not been installed after purchase or has not been in the use for any part or whole of the warranty period for any reason whatsoever.
7. In the event of any repairs/replacement of any parts of the Product, this warranty shall thereafter continue and remain in force only for the unexpired period of the warranty. Any time consumed for the repair/ replacement of parts including transit of the Product or its parts or any period during which the Product has not been used whether under warranty or otherwise shall not be excluded from the warranty period and no extension of the warranty period will be granted.
8. In the event of non-availability of components or parts due to any reason whatsoever, neither Kohler India nor its Authorized Service Franchisee nor the Dealer will be responsible or liable for any delay that may be caused to service/ repair of the Product. In the event that the same model or colour is not available for replacement, Kohler India or its Authorized Service Franchisee will replace the defective Product with an equivalent model or colour.
9. Kohler® India may, at its discretion, retain any part or component replaced during the warranty period.
10. For Faucet, Sanitaryware and Bathing products sold in India, only this Warranty document is applicable. Any reference to any other warranty document will not be considered. This is Kohler India's exclusive written warranty. The decision of Kohler® India regarding the warranty is final and binding. All disputes are subject to the exclusive jurisdiction of the courts of Gurgaon only.

Warranty Chart Bathroom Furniture		
Products	Residential Warranty Period	Commercial Warranty Period
Cabinets (Vanity & Side/Tall Cabinets)	2 Years	1 Year
Mirrors (only on the electrical and electronic components)*	1 Year	6 months

*Same as Kohler Warranty on electrical and electronic components; glass being a fragile item is not covered under warranty

1. The warranty is offered against hardware problems like loosening of drawers or doors, misalignment of drawers or doors, breakage or corrosion, etc. It is important to prevent water absorption to ensure long life of the product. Therefore, please wipe off any liquid quickly that may accumulate on the wood.
2. Improper handling of the Products automatically terminates and nullifies this warranty. This warranty does not cover problems arising from scratches, prints, termite or pests, chips or burns occurring after assembly; accidents or impact (e.g., fallen objects); damage caused by water action or quality of water (hard water, scale build-up, corrosion, water absorption); leaks in supply or discharge pipes; insufficient ventilation or abnormal heat source; or deterioration resulting from foreign matter (sand, filings, etc.).

Care and cleaning guidelines for Chrome and Vibrant® PVD colours /finishes – Sanitaryware, Bathroom Furniture, Faucets and Bathing Products

Though Kohler cabinets are resistant to water and humidity but protection from water and humidity will increase the life of the product. Therefore, take care of the product as below:

- As with any furniture with wood fiber panels, an overly-high level of humidity may damage the product. All furniture must be installed in a well-ventilated bathroom.
- Always use a shower door or curtain and wipe off splashes immediately.
- Any product likely to come into contact with water should be protected with a silicon-based seal product (i.e., in places where the product comes into contact with a tiled floor or is against a tiled wall). Wipe off water splashes immediately.
- Dry off excess moisture with a towel or soft cloth, taking special care with the furniture edges.
- Do not leave a damp towel on the furniture. This could damage the product coating and cause mold or bacteria to proliferate.
- Recent stains or food stains: Clean with a soft cloth dipped in soapy water; then dry with a soft cloth.
- Avoid accumulation of water; also avoid frequent spillage of water.
- Always test your cleaning solution on an inconspicuous area on the product before applying it to the entire surface.
- Do not allow cleaners to sit or soak on the product.
- Wipe surfaces clean and rinse completely with water immediately after applying cleaners.
- In the rare occurrence of stubborn stains on Cast Iron surfaces, use abrasives or abrasive cleaners sparingly.

- Clean stainless steel surfaces once a week. Do not use cleaners containing chloride on stainless steel. If used, rinse the surface immediately to prevent corrosion.
- Wherever gold or platinum is used on decorative products, use only warm water to clean and then dry with a soft cloth.
- Use a soft dampened sponge or cloth to clean, never use abrasive material like a bristle brush or scouring pad.
- Do not use cleaners containing ammonia, bleach, or acid. Most toilet cleaning products have high acidic content which can damage the chrome finish, hence they should not be used to clean chrome finish.
- Use a mild detergent (such as dishwashing soap). Do not use abrasive cleaners.
- Rinse and be sure to wipe the entire surface dry.
- Do not use cleaners containing ammonia, bleach, or acid. Most toilet cleaning products have high acidic content which can damage the chrome finish, hence they should not be used to clean chrome finish.
- Do not use cleaners containing ammonia, bleach, or acid. Most toilet cleaning products have high acidic content which can damage the chrome finish, hence they should not be used to clean chrome finish.
- Use a mild detergent (such as dishwashing soap). Do not use abrasive cleaners.
- Rinse and be sure to wipe the entire surface dry.
- Do not use cleaners containing ammonia, bleach, or acid. Most toilet cleaning products have high acidic content which can damage the chrome finish, hence they should not be used to clean chrome finish.

The ideal cleaning technique is to always blot dry any water from metal surfaces. Allowing water to evaporate on metal will form water deposits. It is important to use a dabbing action to dry metal, not an abrasive or rubbing action. Cleaning with a damp sponge and buff drying should keep your faucet safe.

SHOWER DOOR ENCLOSURES WARRANTY TERMS & CONDITIONS

Kohler India Corporation Pvt. Ltd (“KOHLER India”) shower door enclosures (“Product”) are warranted to be free of defects in the material and workmanship for the period of 5 years, commencing from date of sale of Products to the original purchaser (“warranty period”).

During the warranty period if (in the opinion of Kohler India) the defect in the products is due to defect in the material or workmanship, Kohler India or its Authorized Service Franchisee/Representative will, at its sole option, repair or replace it free of cost, any defective component or part of the products, subject to the terms and conditions described below:

1. Kohler India or its Authorized Service Franchisee solely can service/repair the Product. Kohler India and its Authorized Service Franchisee will repairs or replace the products under this warranty within a reasonable period of time, as determined by Kohler India or its Authorized Service Franchisee performing the repair or replacement.
2. This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims or requests.
3. This warranty does not include payment of or responsibility for any excise duty, central taxes, state taxes and octroi or other local taxes assessed to the parts supplied or repaired during the warranty period.
4. This warranty shall automatically terminate upon the expiry of the warranty period even if the Product has not been installed after purchase or has not been in the use for any part or whole of the warranty period for any reason whatsoever.
5. In the event of any repairs/replacement of any parts of the Product, this warranty shall thereafter continue and remain in force only for the unexpired period of the warranty. Any time consumed for the repair/ replacement of parts including transit of the Product or its parts or any period during which the Product has not been used whether under warranty or otherwise shall not be excluded from the warranty period and no extension of the warranty period will be granted.

6. This warranty remains applicable only if the Product has at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled. Reckless handling of the Products automatically terminates and nullifies this warranty. This warranty does not cover problems arising from excessive water impurities or improper care and cleaning. Guidelines for proper care and cleaning are mentioned below. Kohler is not responsible for labor charges, installation or other incidental or consequential costs. Kohler is not responsible or liable for any special or consequential damages due to the defective Product, or due to defects of any component or part thereof. In no event shall the liability of Kohler India exceed the purchase price of the Product. Improper care and cleaning will void the warranty.
7. In the event of non availability of components or parts due to any reason whatsoever, neither Kohler India nor its Authorized Service Franchisee nor the Dealer will be responsible or liable for any delay that may be caused to service/ repair of the Product. In the event that the same model or colour is not available for replacement, Kohler India or its Authorized Service Franchisee will replace the defective Product with an equivalent model or colour.
8. Kohler India may, at its discretion, retain any part or component replaced during the warranty period.
9. For Shower Enclosures sold in India, only this Warranty document is applicable. Any reference to any other warranty document will not be considered.
10. This Limited Warranty does not cover:
 - Claims for loss of use / inconveniences due to any damages caused by lightning, fire, flood, accident, negligence, misuse.
 - Product that has been damaged due to installation, repairs, alteration or modification by unauthorized service organizations or persons.
11. Clean Coat application provides the water to form as individual droplets on glass surface which enables cleaning of glass easier in comparison to normal glass. Recommended cleaning of glass surface with a soft cloth after every use.
12. Glass being a fragile item will not be covered under warranty.
13. Kohler India reserves the right to amend the terms and conditions if necessary.

This is Kohler India's exclusive written warranty. The decision of Kohler India regarding the warranty is final and binding. All disputes are subject to the exclusive jurisdiction of the courts of Gurgaon only.

Care and cleaning guidelines

- Do not use commercially available cleaners on the glass surface. Commercially available cleaners typically have acidic content which deteriorates the Clean Coat life and performance.
- Wipe glass surface only with water or mild soap solution and wipe with soft cloth.
- Use a soft, dampened sponge or cloth to clean. Never use abrasive material like a bristle brush or scouring pad.
- Clean hardware surfaces once a week with water and soft cloth. Do not use cleaners containing chloride. If used, rinse the surface immediately to prevent corrosion.
- Do not use oil or grease on the hinges, pivot and sliding rails.

Notice: Failure to comply with these cleaning instructions may void Kohler's warranty obligations.
